LEE B. WOOD

New York 15, N.Y.

September 15, 1960

Dear Allen,

You make me feel like a patriarch in citing the month's difference in our ages. However, I am not going to be too strict in asking you young fellows to respect "old age".

Seriously, I appreciate your good wishes and hope to have a drink with you next time I hit Washington.

With warmest regards,

Low X

Allen W. Dulles, Esq. Director Central Intelligence Agency Washington 25, D. C.
